APRIL 23 - 25, 2024 | EXHIBITS  
SAN DIEGO, CA

# COMPOSITES PAVILION

Extend operating times, reduce weight and increase performance — composite materials take a central role in the design and manufacture of uncrewed and autonomous vehicles. From design engineered plastics for fabrication of sensors-embedded surfaces to structural components made with thermoplastic-based carbon fiber composites, the autonomous systems industry in civilian and government sectors is a key growth market for advanced materials producers.

XPONENTIAL 2024 provides a global platform to gain exposure, find new opportunities and partner with others to strengthen your offer. **Three tools for composites manufacturers to get ahead:**

## COMPOSITES PAVILION

The Composites Pavilion is a dedicated hub on the XPONENTIAL show floor for composite engineers and manufacturers to showcase unique solutions and cutting-edge technologies for application across the uncrewed and autonomous systems community from platforms to components.

## ENTERPRISE AND GOVERNMENT SOLUTIONS SPEAKING OPPORTUNITY (EAGS)

Feature your customers on a panel you organize or a company representative talking about a challenge facing the industry and how your company has a solution. You control the content and format of the 45-minute session and receive a list of opt-in attendees who attended, contact info included. Benefits also include recognition as an official XPONENTIAL Sponsor. Limited number, learn more at [www.xponential.org/sponsor](http://www.xponential.org/sponsor).

## AUVSI MEMBERSHIP

AUVSI is a community of uncrewed systems innovators and leaders. AUVSI membership gives you unparalleled access to information, resources and connections. Join AUVSI with a special membership just for industry leaders. Visit [www.auvsi.org/members](http://www.auvsi.org/members) to get started.

# COMPOSITES PAVILION

The Composites Pavilion is a dedicated hub on the XPONENTIAL show floor for composite engineers and manufacturers to showcase unique solutions and cutting-edge technologies across the uncrewed and autonomous systems community. To exhibit in this pavilion, companies must meet the minimum eligibility requirements and be approved by XPO Show Management.

## ELIGIBILITY REQUIREMENTS:

- Company must be exhibiting advanced plastics and polymer composites

## COMPOSITES PAVILION EXHIBITORS RECEIVE:

- Company Listing in the XPO Guide, online and in event app
- Company Listing in the Demographic/Cross-Reference Directory in the XPO Guide, online and in event app
- Allotment of complimentary exhibitor badges based on booth size
- Complimentary Customer Passes
- Promotional Toolkit with sample social media posts, press release, graphics and more to help you promote your presence
- Show logo/banner ad for your website
- Opportunity to apply for a speaking slot in our Solutions Theater
- Pre-Registered Media List (available approx. 4 weeks before XPONENTIAL)

## RAW BOOTH SPACE \*

	PRICE PER SQUARE FOOT
AUVSI Member **	\$37
Nonmember	\$43

Raw Space (Linear Booths Only) Includes:

- 8' draped wall
- 3' side-rails
- 2-line ID sign (44" x 7")

## SHELL SCHEME BOOTH \*

	10' X 10'	10' X 20'
AUVSI Member **	\$6,700	\$12,000
Nonmember	\$7,700	\$13,200

Shell Scheme Booth Space Includes:

- Header sign
- Standard carpet
- Track-light with one (1) head per panel
- 42" h side returns/panels
- Set-up and removal
- Counter with sliding doors (42" h x 39" w x 18" d)
- Opening day cleaning
- Café table
- Four (4) chairs
- Power - 10 amp/1000 watt (outlet placed at the back wall; one outlet regardless of booth size)
