Co-hosted by

A new gathering for autonomy leaders in Europe

For decades, XPONENTIAL has brought together the world's top experts in uncrewed systems and robotic technologies. **Now, for the first time, XPONENTIAL is coming to Europe.** As an expansion of the original event, XPONENTIAL Europe is designed for everyone involved in autonomous innovation. Together, we're reimagining the way we live and work in the air, on land, and at sea.

XPONENTIAL Market Categories

1. PLATFORMS (Autonomous vehicles for commercial uses; the vehicle should be remotely piloted or have the ability to navigate on its own)

- 01.01 — Air
- 01.02 — Ground
- 01.03 — Maritime – Water Surface
- 01.04 — Maritime – Subsurface
- 01.05 — Space

2. COMPONENTS + SENSORS

- 02.02 — Chips/Processors
- 02.03 — Communication Systems
- 02.04 — Computer Systems
- 02.05 — Hardware
- 02.06 — Software
- 02.07 — Electrical/Electric Assembly/Electronics
- 02.08 — Engines
- 02.09 — Flight Control Systems
- 02.10 — Launch and Recovery Systems
- 02.11 — Materials
- 02.12 — Motor Controllers

- 02.13 — Navigation Systems
- 02.14 — Payloads
- 02.15 — Power and Fuel Systems
- 02.16 — Propellers/Propulsion/Transmissions
- 02.17 — Radar/Non-Visual Sensor
- 02.18 — Safety Systems

3. SERVICES

- 03.01 — Consulting
- 03.02 — Data
- 03.03 — Education/Training
- 03.04 — Academia
- 03.05 — Research
- 03.06 — Encryption
- 03.07 — Fabrication
- 03.08 — Freelance
- 03.09 — Imagery
- 03.10 — Inspections
- 03.11 — Insurance
- 03.12 — Industry 4.0

- 03.13 — Legal
- 03.14 — Maintenance
- 03.15 — Repair
- 03.16 — Research/Development/Engineering
- 03.17 — Distribution
- 03.18 — Testing
- 03.19 — Value-Added Resellers
- 03.20 — Drone-as-a-service (on-demand drone pilots)
- 03.21 — System Integrators
- 03.22 — Connectivity
- 03.23 — Air Traffic Management / Uncrewed Traffic Management (ATM / UTM)

Meet thousands of new colleagues and collaborators

XPONENTIAL attracts researchers, executives, engineers, program managers, policymakers, and end users from more than 20 industries. They all share an interest in pushing the limits of autonomous technology.

Top Attendee Market Interest Areas

 Defense/Security	 Construction	 Cinematography
 Mapping/Surveying	 Oil/Gas	 Consumer/Hobbyist
 Energy/Power/Utilities	 AVs/Driverless Cars	 Content/Media
 Public Safety	 Telecom/Wireless	 Photography
 Inspections	 Mining	 Real Estate
 Agriculture	 Natural Resource Management	Other
 Counter UAS/UAS Mitigation	 Healthcare	

Learn, connect, get inspired

XPONENTIAL is more than a trade show. It features demonstrations of the latest technology, cutting-edge educational sessions, and opportunities to connect with new customers or partners.

The XPO Hall

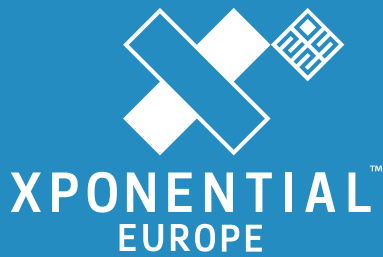

Educational Programming

Technology Demonstrations

Networking

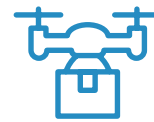

EuroShop  Trade Fairs

EuroCIS

Two events in one

XPONENTIAL Europe 2025 will be co-located with EuroCIS, the most important trade fair for retail technology in Europe. Attendees will explore ideas and opportunities at the intersection of technology and retail, including utilizing autonomous logistics technology to improve retail operations, implementing drone delivery processes, and finding new solutions for shoplifting and loss prevention.

Position your brand at the forefront of the industry

As an exhibitor, sponsor, or partner at XPONENTIAL Europe, **you'll maximize your visibility with one of the most innovative audiences in the world**. Whether you're interested in establishing your thought leadership, making a major announcement, or breaking into a new market, we're eager to partner with you.
