XPONENTIAL EUROPE AT A GLANCE

NEW LAUNCH

XPONENTIAL Europe has been part of Messe Düsseldorf's event portfolio since 2023 and will be held for the first time in Düsseldorf from February 18 to 20, 2025.

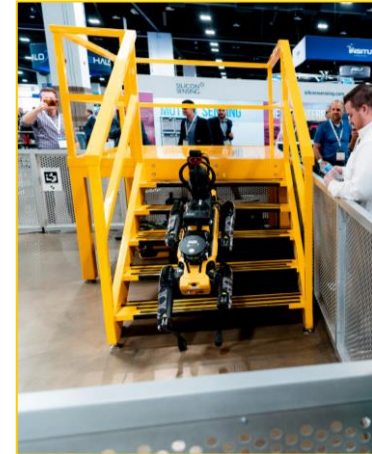

AROUND THE WORLD

XPONENTIAL with its forums in the U.S. and Europe will bring together all the key players and will drive future-oriented autonomous innovations forward.

50 YEARS EXPERIENCE

XPONENTIAL Europe is the new launch, which is modeled after the existing XPONENTIAL exhibition and conference in the U.S., which has been held for over 50 years.

LEADING FORUM

As an extension of XPONENTIAL in the U.S., XPONENTIAL Europe will be the new additional forum for uncrewed systems and robotics across all domains of autonomous technology.

WHAT WE OFFER

XPO HALL

The global forum for uncrewed systems, robotics and innovations

NETWORKING

Meet new partners and customers through various networking opportunities

TECHNOLOGY DEMONSTRATIONS

Tech pavilions and demos give attendees hands-on exposure to innovation

EDUCATIONAL PROGRAMMING

Workshops and educational programming provide an in-depth look into targeted topics

PARTNERS

PARTNER ORGANISATIONS

UAV DACH e.V. – Unmanned Aviation Association is the largest German-speaking professional association for the civil and commercial use of uncrewed aircraft systems in Europe. Its mission is to promote the safe, economical and environmentally friendly operation of uncrewed aerial systems for the public good.

More information: www.uavdach.org

The Association for Uncrewed Vehicle Systems International (AUVSI), the world's largest nonprofit organization dedicated to the advancement of uncrewed systems and robotics, represents corporations and professionals from more than 60 countries involved in industry, government and academia. AUVSI members work in the defense, civil and commercial markets.

More information: www.auvsi.org

THE ENTIRE VALUE CHAIN FOR AUTONOMY

THE ENTIRE VALUE CHAIN FOR AUTONOMY

With the entire value chain on site, XPONENTIAL Europe will be unique. From OEMs to companies that manufacture composites, engineered components and everything else that enables autonomous systems to move the world around them.

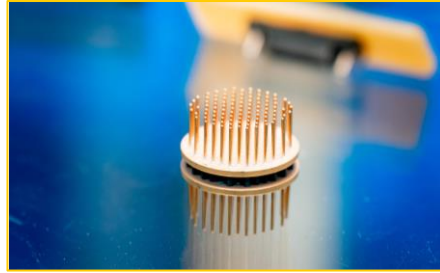

Here's what you can expect:

PLATFORMS

- › Navigate autonomously across all domains
- › Offering efficiency
- › Contribute to safety
- › Commercial uses

COMPONENTS AND SENSORS

- › High drive for innovation
- › Increasingly precise components
- › Strong focus on software, especially cybersecurity

SERVICES

- › ATM / UTM solutions
- › Data analysis and protection
- › Consulting and legal
- › Research and testing

MEET NEW FACES

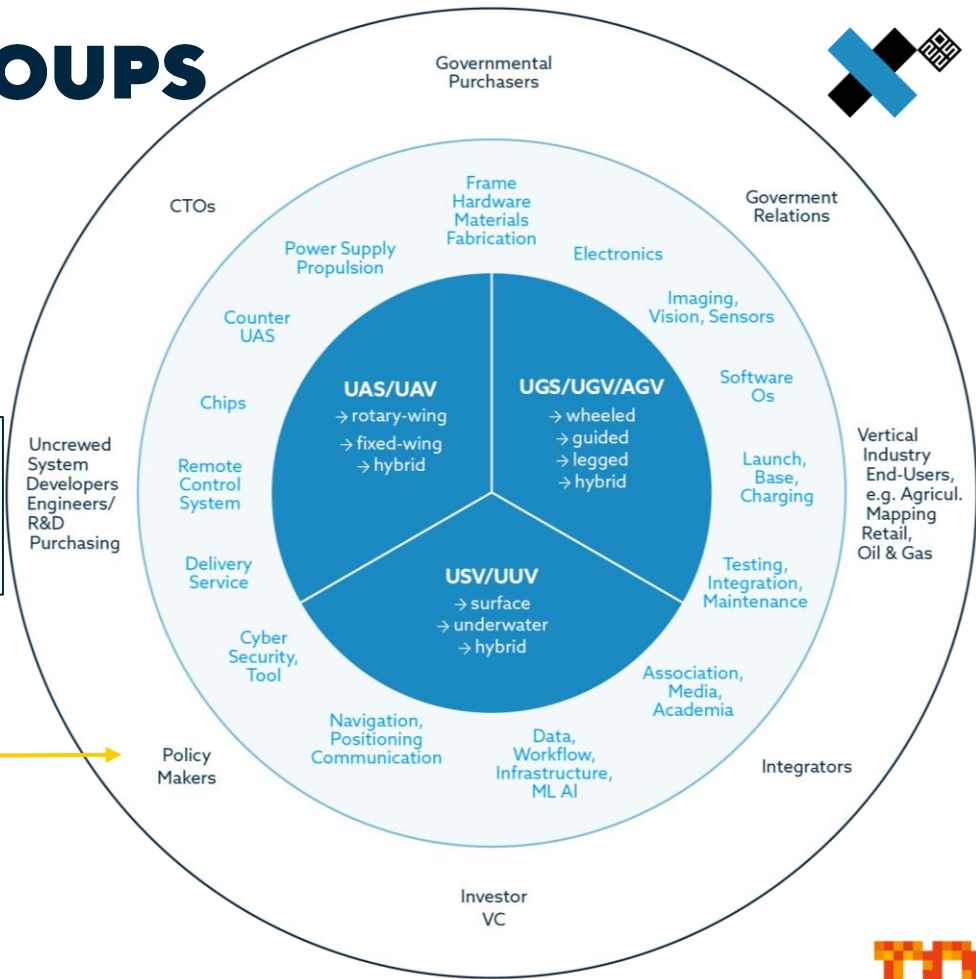

VISITOR TARGET GROUPS

XPONENTIAL, a gathering for autonomy experts and innovators, attracts thousands of participants annually, including researchers, executives, engineers, program managers, policymakers as well as end users from a wide range of industries.

VENUE

VENUE

XPONENTIAL Europe in the heart of Europe!
With 40 trade fairs, including 20 global leading trade fairs, on an exhibition area of 305,727m², Düsseldorf offers the perfect location for XPONENTIAL Europe.

REASONS TO BE A PART OF IT

REASONS TO BE PART OF IT

INTERNATIONAL NETWORKING

Set the course for new global business and meet with international new customers.

HIGH QUALITY

Nowhere else will you meet a professional audience that is ready NOW for investment. Experience the added value of a unique environment of global players, suppliers and customers.

BUSINESS MATCHING

Meet your target group of qualified professionals – efficiently.

THOUGHT LEADERSHIP

Set ideas in motion in the broadest think-tank of the autonomous industry and exchange thoughts with international leaders in the sector.

EXCHANGE OF KNOW HOW

Profit from the varied supporting program with conferences and forums addressing the trending issues of the industry.

PURE INNOVATION

Generate maximum attention to your business and most importantly your innovations.

XPONENTIAL EUROPE 2025

Dates

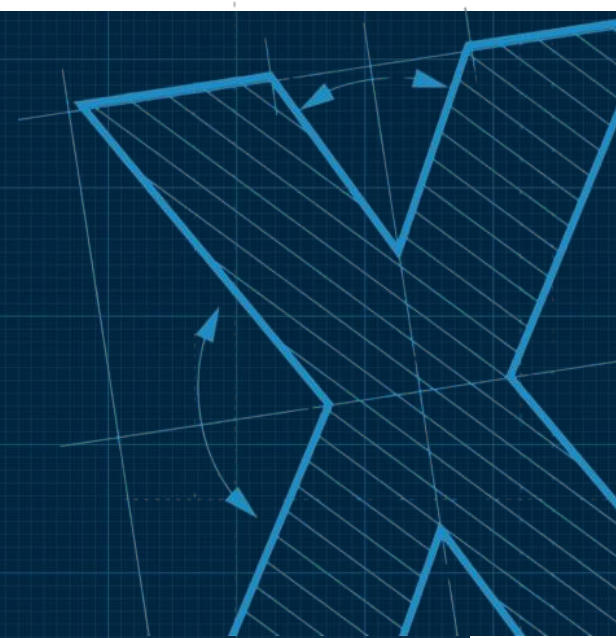

Exhibition: **February 18, to February 20, 2025**

Set-up: February 16, to February 17, 2025

Dismantling: February 21, to February 22, 2025

Location

Hall 1
via Entrance South
Congress Center South
Stockumer Kirchstraße 61
40474 Düsseldorf
